Leah J. – Investments Intern – New York

Hello. My name is Leah and here is a day in the life as an investment management intern working in New York City.

My daily commute consists of a 20-minute walk to the office.

I always start my day by heading up and checking my emails for the day.

I like to start my mornings with a complimentary cup of tea and write out my goals for the day.

I ran into a fellow intern, and we got to catch up about our summer so far.

I then headed back down to meet with my manager, Aaron, who is based out of the Pittsburgh office for our daily check ins.

Last week, I was able to visit the Pittsburgh office and meet the rest of the team.

I then headed up to meet with the Investment Management Summer Internship Program cohort for a roundtable to learn more about global distribution.

Following that, some interns and I went upstairs to go grab lunch.

I finished the day with a couple of meetings and working on my end-of-the-year summer internship project with a fellow intern.

I headed out as I finished my work for the day.
