Deposit Guarantee Schemes Directive

INFORMATION SHEET

THE BANK OF NEW YORK MELLON LONDON BRANCH

The Financial Services Compensation Scheme ('FSCS') protects deposits made by most individuals and businesses. Your account statement will confirm whether your deposits with The Bank of New York are eligible for FSCS protection. Details of certain exclusions from the FSCS's protection are set out in the exclusions list after this information sheet.

Limit of protection

£120,000 per depositor per bank, building society or credit union.

If The Bank of New York Mellon London Branch goes out of business the eligible deposits with us will be added up and the £120,000 will be applied to the total balance. For example, if you hold a savings account with £80,000 and a current account with £50,000, FSCS will pay you £120,000 and you may lose £10,000.

To ensure the FSCS can pay you promptly please ensure that The Bank of New York Mellon London Branch has your up-to-date contact details including your email address.

Joint and group accounts

Each eligible account holder is entitled to £120,000 protection in total. For example, if there are two account holders, you will each be entitled to £120,000 protection, giving a total of £240,000.

Eligible deposits in business accounts are treated as if made by a single depositor. This means these types of account will only be protected up to £120,000.

Temporary high balances

If you have a 'temporary high balance' you may be entitled to more than £120,000 protection for six months from when the amount was first deposited or legally transferred. Temporary high balances are deposits connected with certain events, including:

1. (a) Transactions relating to the purchase and sale of your main home.
2. (b) Major life events such as death, your marriage or civil partnership, divorce, retirement, redundancy, disability or incapacity.
3. (c) Compensation for personal injuries or wrongful conviction.

How the FSCS will pay you

FSCS will typically return deposits within seven business days by cheque or electronic payment into an alternative account. Payments may take longer in exceptional circumstances, for example if there is a temporary high balance, or the deposit is held on behalf of underlying beneficiaries.
