

# REAL-TIME PERFORMANCE

## Paul Camp, Chief Executive Officer, BNY Mellon Treasury Services October 2018

The world is moving to real-time everything: real-time payments, real-time transactions and especially in consumers' day-to-day lives they experience that today. When people ask, "what's the benefit of real-time payments?" it's staying relevant with the world, with customers, with consumers. Real-time payments become table stakes.
