The performance data quoted represents past performance, which is no guarantee of future results. Share price and investment return fluctuate, and an investor's shares may be worth more or less than original cost upon redemption. Current performance may be lower or higher than the performance quoted. Data assumes the reinvestment of dividends and capital gains, if any. Performance for periods less than 1 year is not annualized. Go to bny.com/investments for the fund's most recent month-end returns.

Historical Performance (Class M @ NAV)

[†]Gross expenses is the total annual operating expense ratio for the fund, before any fee waivers or expense reimbursements. ^{††}Net Expenses is the total annual operating expense ratio for the fund, after any applicable fee waivers or expense reimbursements. The net expense ratio(s) reflect a contractual expense reduction agreement through 12/31/2025, without which, the returns would have been lower. The Net Expenses is the actual fund expense ratio applicable to investors. Not all classes of shares may be available to all investors or through all broker-dealer platforms.

¹Investors should consider, when deciding whether to purchase a particular class of shares, the investment amount, anticipated holding period and other relevant factors. ²Represents the predecessor common trust fund (CTF) Inception. ³Source: FactSet. The **MSCI EAFE Index (Europe, Australasia, Far East)** is a free float-adjusted, market capitalization-weighted index that is designed to measure the equity market performance of developed markets, excluding the U.S. and Canada. Investors cannot invest directly in any index.

NAV is Net Asset Value. **FDIC** is Federal Deposit Insurance Corp. **YTD** is Year to Date.

Not FDIC-Insured. Not Bank-Guaranteed. May Lose Value.
