The performance data quoted represents past performance, which is no guarantee of future results. Share price and investment return fluctuate, and an investor's shares may be worth more or less than original cost upon redemption. Current performance may be lower or higher than the performance quoted. Data assumes the reinvestment of dividends and capital gains, if any. Performance for periods less than 1 year is not annualized. Go to [bny.com/investments](https://bny.com/investments) for the fund's most recent month-end returns.

## Historical Performance (Class I @ NAV)

<sup>†</sup>Gross expenses is the total annual operating expense ratio for the fund, before any fee waivers or expense reimbursements. <sup>††</sup>Net Expenses is the total annual operating expense ratio for the fund, after any applicable fee waivers or expense reimbursements. The net expense ratio(s) reflect a contractual expense reduction agreement through 1/31/2026, without which, the returns would have been lower. The Net Expenses is the actual fund expense ratio applicable to investors. Not all classes of shares may be available to all investors or through all broker-dealer platforms.

<sup>1</sup>Investors should consider, when deciding whether to purchase a particular class of shares, the investment amount, anticipated holding period and other relevant factors. <sup>2</sup>Source: FactSet. The MSCI EAFE Index (Europe, Australasia, Far East) is a free float-adjusted, market capitalization-weighted index that is designed to measure the equity market performance of developed markets, excluding the U.S. and Canada. Investors cannot invest directly in any index.

NAV is Net Asset Value. FDIC is Federal Deposit Insurance Corp. YTD is Year to Date. CFA<sup>®</sup> and Chartered Financial Analyst<sup>®</sup> are registered trademarks owned by the CFA Institute.

Not FDIC-Insured. Not Bank-Guaranteed. May Lose Value.

**Risks:** **Equities** are subject to market, market sector, market liquidity, issuer, and investment style risks, among other factors, to varying degrees. **Currencies** are subject to the risk that those currencies will decline in value relative to a local currency, or, in the case of hedged positions, that the local currency will decline relative to the currency being hedged. Each of these risks could increase the fund's volatility. Investing in **foreign denominated and/or domiciled securities** involves special risks, including changes in currency exchange rates, political, economic, and social instability, limited company information, differing auditing and legal standards, and less market liquidity. These risks generally are greater with emerging market countries. The information being provided is general information about our firm and its products and services. It should not be construed as investment advice or a recommendation with respect to any product or service and should not serve as a primary basis for investment decisions. Please consult a legal, tax or financial professional in order to determine whether an investment product or service is appropriate for a particular situation.

The fund's investment adviser is BNY Mellon Investment Adviser, Inc. (BNYIA). BNYIA has engaged its affiliate, Newton Investment Management Limited (NIM), to serve as the fund's sub-adviser. NIM has entered into a sub-sub-investment advisory agreement with its affiliate, Newton Investment Management North America, LLC (NIMNA), to enable NIMNA to provide certain advisory services to NIM for the benefit of the fund. All are subsidiaries of The Bank of New York Mellon Corporation. BNY is the corporate brand of The Bank of New York Mellon Corporation.
