GLASS LEWIS RECOMMENDS DMB STOCKHOLDERS VOTE TO SUPPORT BOARD NOMINEES

NEW YORK, NY, August 18, 2026 – BNY Mellon Investment Adviser, Inc. announced today that proxy advisory firm Glass Lewis has recommended that stockholders of BNY Mellon Municipal Bond Infrastructure Fund, Inc. (“DMB”) vote in favor of the Fund’s three incumbent nominees on the WHITE proxy card ahead of the Fund’s annual stockholders meeting on August 27, 2026.

In making its recommendation, Glass Lewis rejected the dissident’s nominee, noting that a review of performance of the Fund had shown that a compelling case for change had not been made.

DMB is stewarded by an effective, experienced and diverse Board of Directors that protects the best interests of its stockholders. Three recent dividend increases add to a history of consistent monthly income distributions without return of capital. The Fund has outperformed its benchmark index, the Bloomberg U.S. Municipal Bond Index, on a net asset value basis for six of the past ten calendar years. The Fund’s discount to its net asset value has also narrowed by approximately 50% since 2024 year-end.

Vote for DMB Board Nominees on the WHITE Card

Only your latest dated proxy will count at the meeting. Please vote for the DMB nominees on the WHITE proxy card today. Due to the proximity of the annual stockholders meeting on August 27, votes should be submitted using the website provided on the WHITE proxy card to ensure that they are counted.

If you have any questions about the proposals to be voted upon, please call the Fund’s proxy solicitor, EQ Fund Solutions, toll-free at 877-732-3619.

The Fund’s proxy statement, a copy of the Fund’s most recent Annual Report to Stockholders, and any proxy soliciting materials are available at www.bny.com/closed-end-funds.
